Wombaroo is located near Mittagong in the picturesque Southern Highlands of NSW. Our 125 acre property enjoys a peaceful bush setting and with direct access to the adjoining State Forest we can offer you an enormous range of program and activity options. We can comfortably accommodate groups from as small as 20 right through to 140 and at just 90 minutes from both Sydney and Canberra, Wombaroo is ideally located for your next school camp.

We Will Help You Plan Your Camp

Here at Wombaroo we don't want you to feel overwhelmed by administration. Instead we can provide all the staff, food and equipment necessary to run a fantastic outdoor education program or camp.

When you book we will provide you with a comprehensive administration package and we'll do everything we can to ensure that your time with us is a smooth, enjoyable and hassle free experience – from the moment you first contact us right through to when you leave the Centre.

School Outdoor Education Programs

Wombaroo staff understand that every school is different and we are dedicated to tailoring an Outdoor Education program that achieves the best outcomes for your students. We can suggest program styles and activity mixes with age, experience and outcomes in mind.
